### INFORMATION ON THE TREATMENT OF PERSONAL DATA

In line with Regulation EU n. 679/2016 (cd. GDPR) we are providing the following information regarding the treatment of the personal information of individuals who, during the COVID-19 emergency, access the various locations of the Foundation's activities.

#### **Who Treats the Data?**

The Foundation treats the data. The information provided above will be treated according to Regulation EU n. 679/2016.

#### **Purpose and Legal Basis for Treatment**

The personal data will be treated exclusively for the purpose of preventing COVID-19 contagion, in execution of the Foundation's Anti-Contagion Security Protocol (DPCM 17 May 2020) and the Protocol adopted by the Government and Social Partners on April 24, 2020.

#### **Nature of the Provision of Personal Information**

The provision of this data is necessary to access locations where the Foundation's activities are carried out. An eventual refusal to provide the information can prevent us from granting entry.

**Modalities, scope and length of treatment**

The treatment will be carried out by members of the Foundation. The personal data will not be diffused, or communicated to third parties. The data will be conserved for at least 14 days.

**The Rights of the Interested Party**

At any moment, the interested party has the right to access his/her own personal data, to request corrections, updates, and cancellation. It is also possible to oppose the treatment of data and request limitations. The requests should be addressed directly to the Foundation. In the event the treatment of data has been deemed in violation of the laws on the protection of personal data, the interested party has the right to submit a complaint with the Autorita Garante per la protezione dei dati personali, Piazza Venezia, 11, Rome 00187.
